

PUBLIC OUTREACH ACTIVITIES
by James S. Cannon
REGARDING TRANSPORTATION FUELS AND TECHNOLOGIES

BOOKS

- 📖 *Reducing Climate Impacts in the Transportation Sector*, (Amsterdam, The Netherlands: Springer Press. 2008. 229 pages). Co-editor
- 📖 *Driving Climate Change: Cutting Carbon from Transportation*, (Burlington, Massachusetts: Elsevier Academic Press. 2007. 295 pages). Co-editor
- 📖 *The Hydrogen Energy Transition: Moving Toward the Post Petroleum Age in Transportation*, Burlington, Massachusetts: Elsevier Academic Press. 2004. 266 pages. Co-editor
- 📖 *Harnessing Hydrogen: The Key to Sustainable Transportation*. New York: Inform, Inc. 1995. 348 pages.
- 📖 *Paving the Way to Natural Gas Vehicles*, New York: Inform, Inc. 1993. 182 pages.
- 📖 *Drive for Clean Air: Natural Gas and Methanol Vehicles*, New York: Inform, Inc. 1989. 240 pages.

PUBLISHED REPORTS

- ✓ “*Natural Gas: A 21st Century Transportation Fuel*,” Boulder, Colorado: Energy Futures, Inc., 2009, 20 pages
- ✓ “*Container Ports and Air Pollution*,” Boulder, Colorado: Energy Futures, Inc., 2009, 67 pages
- ✓ “*U.S. Container Ports and Air Pollution: A Perfect Storm*,” Boulder, Colorado: Energy Futures, Inc., 2008, 83 pages
- ✓ “*The Transportation Boom in Asia: Crisis and Opportunity for the United States*,” INFORM Special Report, New York, New York, 2005.
- ✓ “*Greening Garbage: New Technologies for Cleaner Air*,” INFORM Special Report, New York, New York, 2002. Co-authored
- ✓ “*Bus Futures: New Technologies for Cleaner Cities*,” INFORM Special Report, New York, New York, 2000. Co-authored
- ✓ “*China at the Crossroads: Energy, Transportation and the 21st Century*,” Inform Special Report, New York, New York. June 1998. (also published in Mandarin, June 1999)
- ✓ “*Gearing Up for Hydrogen*,” Inform Special Report, New York, New York. April 1998.
- ✓ “*Spotlight on New York: A Decade of Progress in Alternative Transportation Fuels*,” Inform Special Report, New York, New York. May, 1997.
- ✓ “*Clean Hydrogen Transportation: A Market Opportunity for Renewable Energy*,” Issue Brief: the Renewable Energy Policy Project, College Park, Maryland. April, 1997.

PUBLISHED PROFESSIONAL PAPERS

- ✓ “*Green Ports and LNG*,” **Proceedings of the LNG is Hot! Workshop**, Brussels, Belgium, December 4, 2009
- ✓ “*Container Ports and Air Pollution*,” **Proceedings of the GreenPort 2009 Conference**, Naples, Italy, February 25, 2009
- ✓ “*U.S. Container Ports and Air Pollution: A Perfect Storm*,” **Proceedings of the Fuelling a Cleaner Future Conference**, Singapore, May 30, 2008
- ✓ “*Using Alternative Fuels to Clean up U.S. Container Ports*,” **Proceedings of the 30th Propulsion and Emissions Conference**, Gothenburg, Sweden, May 22, 2008
- ✓ “*Natural Gas Refuse Trucks in the U.S.A.*” **Proceedings of International Association for Natural Gas Vehicles Conference**, Cairo, Egypt, November 7, 2006,
- ✓ “*Hydrogen Hope and Hype*,” **Proceedings of the NHA Annual National Hydrogen Conference**, Washington, DC, April 28, 2004. Co-authored
- ✓ “*Bus Futures Update: 2001*,” **Proceedings of the 7th Annual Meeting of the European Natural Gas Vehicle Association**, Malmo, Sweden, May 29-31, 2001.
- ✓ “*The NGV-Hydrogen Connection: Moving Toward Sustainable Transportation*,” **Proceedings of the 5th Annual Meeting of the European Natural Gas Vehicle Association**, Amsterdam, The Netherlands, May 18-21, 1999.
- ✓ “*Urban Buses: A Market Opportunity for Hydrogen in the USA*,” **Hydrogen Energy Progress XII: Proceedings of the 12th World Hydrogen Conference**, Buenos Aires, Argentina. June 21-25 1998.
- ✓ “*Natural Gas and Hydrogen Buses in the USA: The Cleanest Machines Ever Built*,” **Proceedings of the International Symposium on Hydrogen Power Thermal & Electrochemical Systems II (HYPOTHESIS II)**. Grimstad, Norway, August 20, 1997.
- ✓ “*Alternative Fuel Use in USA Buses*.” **Proceedings of the 30th ISATA Dedicated Conference on Electric, Hybrid, & Alternative Fuel Vehicles**, Florence, Italy. June 19, 1997.
- ✓ “*The Transition to Hydrogen-Based Transportation Systems*,” **Hydrogen Energy Progress XI: Proceedings of the 11th World Hydrogen Conference**, Stuttgart, Germany, June 24-27, 1996.
- ✓ “*Building Markets for Hydrogen Vehicles*,” **Proceedings of the 29th ISATA Dedicated Conference on Electric, Hybrid, & Alternative Fuel Vehicles**, Florence, Italy, June 3-6, 1996
- ✓ “*NGV-Hydrogen Connection: Moving Toward Sustainable Transportation*,” **Proceedings of the 2nd Annual European NGV Conference and Exposition**, Basel, Switzerland, May 10, 1996.
- ✓ “*Developing Market Entries for Hydrogen Vehicles*,” **Proceedings of the World Car Conference '96**. Riverside, California, January 22, 1996.
- ✓ “*Hydrogen as a Transportation Fuel in the U.S.A.*” **Proceedings of the Second International Conference on New Energy Systems and Conversions**. Istanbul, Turkey, August 1-4, 1995.
- ✓ “*Hydrogen’s Role in the World Transportation Revolution*.” **Proceedings of the International Symposium on Hydrogen Power Thermal & Electrochemical Systems (HYPOTHESIS)**. Gaeta, Italy, June 26-29, 1995.

- ✓ *"Reformulated Gasoline: Cleaner Air on the Road to Nowhere,"* **Inform Special Report**, December 1994 also published with slight revisions in the November 1995 issue of the **International Journal of Hydrogen Energy**. Volume 20: #11.
- ✓ *"Hydrogen Vehicles and the U.S.A. Transportation Revolution,"* **Proceedings of the 27th ISATA Conference on Electric, Hybrid & Alternative Fuels Vehicles**, Aachen, Germany, October 31-November 3, 1994.
- ✓ *"Institutional Obstacles to Natural Gas Vehicle Use,"* **Proceedings of the European Conference on Natural Gas Vehicles**, Amsterdam, The Netherlands, December 14-16, 1993.
- ✓ *"Alternative Transportation Fuels: Removing the Roadblocks,"* **Proceedings of the ISATA Conference on Electric, Hybrid and Alternative Fuel Vehicles**. Aachen, Germany, September 13-17, 1993.
- ✓ *"Hydrogen-Powered Automotive Programs in the U.S.A.,"* **Proceedings of the First International Conference on New Energy Systems and Conversions**, Yokohama, Japan, June 27-30, 1993.
- ✓ *"State Government NGV Incentives and Mandates in the USA,"* **Proceedings of the NGV-92 International Conference and Exhibition on Natural Gas Vehicles**, Goteborg, Sweden, September 23, 1992.
- ✓ *"Alternative Transportation Fuels in the USA: Government Hydrogen Vehicle Programs,"* **Proceedings of the 10th World Hydrogen Energy Conference**, Paris, France, June 23, 1992.
- ✓ *"An Emerging Hydrogen Energy Agenda in New Mexico,"* **Proceedings of the Third Annual Meeting of the National Hydrogen Association**, Washington DC, March 19, 1992.
- ✓ *"Hydrogen Vehicles: It's Not Too Late to Start,"* **Proceedings of the Second Annual Meeting of the National Hydrogen Association**, Washington, DC, 1991.
- ✓ *"Natural Gas Vehicles: A Clean Transportation Technology,"* **Proceedings of the Second Conference of the International Association for Natural Gas Vehicles**, October 23-27, 1990, Buenos Aires, Argentina: IANGV, 1990.
- ✓ *"Natural Gas and Methanol Vehicle Use in the United States,"* **Proceedings of the First Conference of the International Association for Natural Gas Vehicles**, October 27-30, 1988, Sidney, Australia: IANGV, 1988.

PUBLIC SPEAKING ENGAGEMENTS

- ✓ LNG is Hot! Workshop, *"Green Ports and LNG,"* December 4, 2009, Brussels, Belgium
- ✓ 15th Annual OPIS Conference, *"AFV Supply and Demand in the New Energy Economy,"* September 23, 2009, Atlanta, Georgia
- ✓ Colorado O&G Conference, *"Natural Gas Demand in the New Energy Economy,"* July 9, 2009, Denver, Colorado
- ✓ Faster Freight Conference, *"Container Ports and Air Pollution,"* March 23, 2009, Long Beach, California
- ✓ GreenPorts 2009 Conference, *"Container Ports and Air Pollution,"* Naples, Italy, February 25, 2009
- ✓ Fueling a Cleaner Future Conference, *"U.S. Container Ports and Air Pollution: A Perfect Storm,"* Singapore, May 30, 2008
- ✓ 30th Propulsion and Emissions Conference, *"Using Alternative Fuels to Clean up U.S. Container Ports,"* Gothenburg, Sweden, May 22, 2008

- ✓ Alternative Fuels & Vehicles Conference, “*Auto Motion: Clean and Green Goods Movement*,” Las Vegas, Nevada, May 12, 2008
- ✓ SIGMA Executive Leadership Conference, “*Plug It In, Plug It In: The Search for the Silver Bullet*,” Snowbird, Utah, February 11, 2008
- ✓ NGV America Annual Meeting, “*U.S. Container Ports and Air Pollution: A Perfect Storm*,” Reno, Nevada, October 15, 2007
- ✓ International Association for Natural Gas Vehicles Conference “*Natural Gas Refuse Trucks in the U.S.A.*”, Cairo, Egypt, November 7, 2006
- ✓ H-GAC Refuse Workshop, “*Greening Garbage Trucks*,” Houston, Texas, September 19, 2006
- ✓ Colorado Oil & Gas Association Annual Conference, “*Role of New Fuels and Technologies in a Post-Petroleum Age*,” Denver, Colorado, August 8, 2006
- ✓ Alternative Fuels & Vehicles Conference, “*Greening Garbage Trucks New Technologies for Cleaner Air*,” Phoenix, Arizona, May 8, 2006
- ✓ World Bank and World Resources Institute 2025: A Vision for Urban Transport Symposium, “The Transportation Boom in Asia,” Washington, DC, January 13, 2005
- ✓ Asia Oil 2004, “China and India on the Road to Hydrogen,” Mumbai, India, September 6, 2004.
- ✓ New Technologies for Clean Air Workshops, “Greening Garbage Trucks” Merced and Bakersfield, California, April 1 and 2, 2004.
- ✓ Clean Energy Luncheon Series, “Pathways to Hydrogen: Transport Policy in China and India” New York City, New York, February 25, 2004.
- ✓ Waste Expo 2003, “Alternative Fuels & Greener Trucks: Are They Worth the Effort?” New Orleans, Louisiana, June 2, 2003.
- ✓ Alternative Energy Driven Vehicle Seminar, “Pathways to Hydrogen in India” New Delhi, India, January 19, 2004.
- ✓ China Hybrid Vehicles Workshop, “Alternative Fuels and Hybrid Electric Vehicles” Beijing, China, November 19, 2003.
- ✓ New Technologies for Clean Air Workshops, “Greening Garbage Trucks” Fresno and Sacramento, California, November 14 and 15, 2004.
- ✓ Montreaux Clean Energy Roundtable, “Moving toward a Hydrogen Economy.” Denver, Colorado. October 13, 2003.
- ✓ Austin Clean Cities Clean Air Workshop, “Greening Garbage Trucks.” Austin, Texas, September 30, 2003.
- ✓ Waste Expo 2003, “Alternative Fuels & Greener Trucks: Are They Worth the Effort?” New Orleans, Louisiana, June 2, 2003.
- ✓ California Air Resources Board (CARB) Hearings “Testimony on the Proposed Revisions to the CARB Zero Emission Vehicle Program.” Sacramento, California, April 24, 2003.

- ✓ Civic Exchange Public Forum, “Hybrid Vehicles Storming the World?” Hong Kong, China, August 28, 2002.
- ✓ Aspen Clean Energy Roundtable VIII “Alternative Fuels and Advanced Vehicles.” Aspen, Colorado. October 16, 2001.
- ✓ U.S. Senate Finance Committee. “Testimony on the Role of Tax Incentives in Energy Policy.” Washington, DC. July 10, 2001.
- ✓ Cleaner Vehicles & Fuels Workshop “Fuel Cell Vehicles.” Hong Kong, China. May 19, 2001.
- ✓ 7th Annual Meeting of the European Natural Gas Vehicle Association, “Bus Futures Update: 2001.” Malmö, Sweden. May 31, 2001.
- ✓ Civic Exchange Public Seminar. “The Future Role of Clean Vehicle Fuels and Technologies in Solving Urban Air Pollution.” Hong Kong, China, October 16, 2000.
- ✓ Colorado Society of Automotive Engineers Annual Meeting, “Fuel Cells and the Future of Transportation Vehicles.” Golden, Colorado. September 28, 2000.
- ✓ 5th Annual Meeting of the European Natural Gas Vehicle Association, “The NGV-Hydrogen Connection: Moving Toward Sustainable Transportation.” Amsterdam, The Netherlands, May 20, 1999.
- ✓ EV Expo. “Hydrogen in the World Energy Mosaic.” Colorado State University, Fort Collins, Colorado. March 31, 1999
- ✓ World Oil Forum, “Alternative Fuels and Advanced Vehicles.” Denver, Colorado. September 23, 1998.
- ✓ XII World Hydrogen Energy Conference. “Urban Buses: A Market Opportunity for Hydrogen in the USA.” Buenos Aires, Argentina. June 23, 1998.
- ✓ Propane '98 – Inside the Industry. “Opening Keynote Address: The Keys to Sustainable Transportation.” Vancouver, British Columbia, Canada. June 18, 1998.
- ✓ Electric Transportation Coalition Roundtable on Electric Modes of Transportation. “Differing Approaches to Alternative Vehicles: Mandates or Incentives?” Washington, DC. May 12, 1998.
- ✓ Houston Galveston-Area Council Energy Symposium. “Electric Vehicles, Fuel Cells, and Hydrogen.” Houston, Texas. April 20, 1998.
- ✓ New York Academy of Sciences Lecture Series. “Hydrogen Buses and Sustainable Transportation.” New York City, New York. March 11, 1998.
- ✓ 2nd Annual Propane Vehicle Conference & Exposition. “Opening Keynote Address.” San Antonio, Texas. February 10, 1998.
- ✓ 1st Interagency Motor Equipment Advisory Committee Conference on Federal Fleet Transportation. “Special Presentation on Alternative Fuel Vehicles.” Las Vegas, Nevada. January 27, 1998.
- ✓ Environmental and Energy Study Institute Briefing. “What Kyoto Means for Motor Vehicles.” Washington DC. December 16, 1997.
- ✓ 1997 Alternative Fuel Vehicles Conference and Exhibition. “Innovative Funding for AFVs.” Charlotte, North Carolina. December 3, 1997.

- ✓ International Alternative Fuels Conference and Trade Show. “The Road to Sustainable Transportation.” Dallas, Texas. November 18, 1997.
- ✓ Regional Transportation & Land Use Summit. “Transit Technology: What are the Options.” Glenwood Springs, Colorado. November 15, 1997.
- ✓ Houston Clean Cities and Sustainable Development Conference. “Keynote Address: An Overview of Alternative Fuel Vehicles.” Houston, Texas. November 1, 1997.
- ✓ Alternative Fuel Vehicles: New York '97. “Spotlight on New York.” Rome, New York. October 20, 1997.
- ✓ The Clean Airport Summit. “State and Local Incentives for Air Quality Improvements.” Denver, Colorado. October 8, 1997.
- ✓ Annual Meeting of the American Public Transit Association. “The Shape of Things to Come with Alternative Fuel Buses.” Chicago, Illinois. September 23, 1997.
- ✓ International Symposium on Hydrogen Power Thermal & Electrochemical Systems II (HYPOTHESIS II). “Natural Gas and Hydrogen Buses in the USA,” Grimstad, Norway, August 20, 1997.
- ✓ Gordon Research Conference on Hydrogen-Metal Systems. “Guest General Lecture: Hydrogen as a Transportation Fuel.” Henniker, New Hampshire. July 17, 1997.
- ✓ Third National Clean Cities Stakeholders Conference and Expo. “Spotlight on Alternative Fuel Vehicles in New York.” Long Beach, California, June 24, 1997.
- ✓ 30th ISATA Dedicated Conference on Electric, Hybrid, & Alternative Fuel Vehicles, “Alternative Fuel Use in USA Buses.” Florence, Italy. June 19, 1997.
- ✓ 8th Canadian Hydrogen Workshop: Canadian Hydrogen Association. “Hydrogen and the History of World Energy.” Toronto, Canada. May 29, 1997.
- ✓ Global Electric Auto Association. Transportation 2010 - Electric Vehicles: Emerging Trends Conference. “Hydrogen - The Key to Sustainable Transportation,” Dayton, Ohio, October 11 1996.
- ✓ International Association for Natural Gas Vehicles. NGV'96: The 5th International NGV Conference, “The NGV-Hydrogen Connection: The Role of NGVs in Creating the Transportation Systems of the Future,” Kuala Lumpur, Malaysia, October 2, 1996.
- ✓ Northeast Sustainable Energy Association's Sustainable Transportation/EV96 Conference, “Hydrogen/Fuel Cell Transportation Future.” New York, September 16, 1996.
- ✓ Washington Summit on Protection of the World's Climate. Fuel Cells for Transportation Workshop Chairman, Washington DC, September 5, 1996.
- ✓ The 11th World Hydrogen Conference, “The Transition to Hydrogen-Based Transportation Systems,” Stuttgart, Germany, June 25, 1996.
- ✓ The 29th ISATA Dedicated Conference on Electric, Hybrid, & Alternative Fuel Vehicles, “Building Markets for Hydrogen Vehicles,” Florence, Italy, June 5, 1996.
- ✓ The 2nd Annual European NGV Conference and Exposition, “The NGV-Hydrogen Connection: Moving Toward Sustainable Transportation,” Basel, Switzerland, May 10, 1996.

- ✓ The 7th Annual Alternative Vehicle Fuels Market Fair & Exposition, "All About Electric & Hydrogen Vehicles," Austin, Texas, May 7, 1996.
- ✓ The Colorado Chapter of the American Institute of Petroleum Engineers Monthly Luncheon Speaker Meeting, April 23, 1996.
- ✓ The Boulder County Clean Air Consortium Monthly Breakfast Speaker Meeting, Boulder, Colorado, April 9, 1996.
- ✓ National Hydrogen Association 7th Annual Meeting, "Keynote Luncheon Address: Harnessing Hydrogen for Transportation," Arlington, Virginia, April 3, 1996.
- ✓ SAE Fuel Cells for Transportation Toptec, "Introductory Keynote Address: Hydrogen Transportation for Sustainable Development," Arlington, Virginia, April 2, 1996.
- ✓ New York Bar Association Special Program, "Causes of and Responses to Global Climate Change," New York City, New York, January 30, 1996.
- ✓ The World Car Conference '96, "Developing Market Entries for Hydrogen Vehicles," Riverside, California, January 22, 1996.
- ✓ Utility Fleets & Equipment Expo, "Why Use Alternative Fuels in Fleets?," Dallas, Texas, December 6, 1995.
- ✓ The 2nd Annual Fuel Cell Forum, "Fuel Infrastructure and Market Penetration for Hydrogen Vehicles," Golden, Colorado, October 26, 1995.
- ✓ The 2nd World Hydrogen Summit, "Hydrogen's Role in World Transportation," Montreal, Canada, September 29, 1995.
- ✓ The National Clean Cities Stakeholder Meeting and Conference, "Getting the Word Out: Educating the Public about Clean Cities and Alternative Fuels," St. Louis, Missouri, September 12, 1995.
- ✓ The American Assembly, "Fueling the Future," Harriman, New York. September 7-10, 1995.
- ✓ The 2nd International Conference on New Energy Systems and Conversions. "Hydrogen as a Transportation Fuel in the U.S.A.," Istanbul, Turkey, August 2, 1995.
- ✓ International Symposium on Hydrogen Power Thermal & Electrochemical Systems (HYPOTHESIS). "Hydrogen's Role in the World Transportation Revolution," Cassino, Italy, June 28, 1995.
- ✓ The New York Bar Association Transportation Committee. "A Historical Perspective on Personal Transportation." New York City, January 18, 1995.
- ✓ The 27th ISATA Conference on Electric, Hybrid & Alternative Fuels Vehicles. "Hydrogen Vehicles and the U.S.A. Transportation Revolution," Aachen, Germany, November 1, 1994.
- ✓ Natural Gas: Energy Source for the Future Conference. "Is Natural Gas a Viable Fuel for Automobiles?" New Mexico Institute of Mining and Technology, Socorro, New Mexico, October 25, 1994.
- ✓ New York City NGV Exposition, "Leading the Pack with Natural Gas Vehicles," October 18, 1994.
- ✓ United States Energy Association Symposium for Russian Natural Gas Officials, "Development of a Natural Gas Vehicle Industry in the U.S." Atlanta, Georgia, September 22, 1994.
- ✓ Regional Roundtable on the Environment and the Economy. "Sustainable Transportation Systems," Columbia University, September 12, 1994.

- ✓ The 5th Alternative Vehicle Fuels Market Fair & Symposium. "Alternative Fuels: The Way to Go." Austin, Texas, April 17-19, 1994.
- ✓ Europoint. "Metha-Motion: European Conference on Natural Gas Vehicles." Amsterdam, The Netherlands, December 14-16, 1993.
- ✓ National Conference of State Legislatures. "State-Federal Annual Assembly." Washington D.C., December 9, 1993.
- ✓ IFF International Transportation Forum '93. "Alternative Fuels Teleconference," televised live to conference auditorium in Essen, Germany from studio in Sacramento, California. November 17, 1993.
- ✓ National Conference of State Fleet Administrators Annual Meeting. "Expressway to Environmental Responsibility." Louisville, Kentucky, October 5-6, 1993.
- ✓ National Alternative Fuels Conference. "Natural Gas Vehicles," Lincoln, Nebraska, October 3-4, 1993.
- ✓ The 26th ISATA Conference on Electric, Hybrid & Alternative Fuels Vehicles. "Alternative Transportation Fuels: Removing the Roadblocks," Aachen, Germany, September 13-17, 1993.
- ✓ "Continental Conference on Alternative Fuels." Little Rock, Arkansas, September 1-3, 1993. Also spoke at this conference in 1992 (September 2) and in 1991 (June 5).
- ✓ New York State Electric & Gas Company. "NGV'93." Binghamton, New York, August 11-13, 1993.
- ✓ "The 1st International Conference on New Energy Systems and Conversions." Yokohama, Japan, June 27-30, 1993.
- ✓ National Transit Institute, "New Technology Seminar: Alternative Fuels for Small Buses and Vans," Austin, Texas, May 18, 1993.
- ✓ The New Mexico Gas Marketing Bureau, "The 6th Annual New Mexico Gas Marketing Conference & Trade Fair," Santa Fe, New Mexico, May 17, 1993. Also spoke at the 5th Conference (May 11, 1992) and the 4th Conference (April 15, 1991).
- ✓ National Association of Regulatory Utility Commissioners, "NARUC/DOE Conference on Natural Gas Use," New Orleans, Louisiana, April 26, 1993.
- ✓ Energy and Environmental Study Institute, Congressional Briefing marking the public release of *Paving the Way to Natural Gas Vehicles*, Washington DC, March 30, 1993. Several briefings also conducted for New York City and State officials and for the U.S. Department of Energy during April and May.
- ✓ Gas Company of New Mexico, "CNG Comes of Age," Roswell, New Mexico, November 11, 1992.
- ✓ American Gas Association, "10th Annual Natural Gas Vehicle Conference," Orlando, Florida, September 29-30, 1992.
- ✓ International Association for Natural Gas Vehicles, "NGV-92 International Conference and Exhibition on Natural Gas Vehicles," Goteborg, Sweden, September 22-25, 1992.
- ✓ International Association for Hydrogen Energy, "10th World Hydrogen Energy Conference," Paris, France, June 23, 1992.
- ✓ The 3rd Alternative Vehicle Symposium and Trade Fair," Austin, Texas, April 13, 1992. Also spoke at this conference in 1991 (April 20).

- ✓ National Hydrogen Association, "The 3rd Annual Hydrogen Conference," Washington DC, March 17, 1992. Also spoke at this conference in 1991 (March 15).
- ✓ Albuquerque Department of Environmental Health, "Sustainable Energy Future for Albuquerque Conference," Albuquerque, New Mexico, December 5, 1991.
- ✓ Business Executives for National Security, "Petroleum Security Mixed Table Symposium," New York City, September 12, 1991.
- ✓ The New Mexico Clean Alternative Fuels Task Force, "Symposium on Alternative Fuels," Santa Fe, New Mexico, June 27, 1991.
- ✓ New York City Department of Transportation, "1991 Hydrogen Vehicle Conference," New York City, March 12, 1991.
- ✓ The Energy Foundation and the Conservation Law Foundation, "Automobiles and their Alternatives: An Agenda for the 1990's Conference," Boston, Massachusetts, January 23, 1991.
- ✓ International Association for Natural Gas Vehicles, "NGV: New Life in Transportation Conference," Buenos Aires, Argentina, October 25, 1990.
- ✓ American Industrial Hygienist Association, "1990 Annual Conference," Albuquerque, New Mexico, October 18, 1990.
- ✓ Cato Institute, "Health Costs of Air Pollution Policy Forum," Washington DC, June 19, 1990.
- ✓ New Mexico Association of Energy Engineers, "Focus 2000 Transportation Conference," Albuquerque, New Mexico, May 18, 1990.
- ✓ New Mexico Air and Waste Management Association, "Monthly Luncheon," May 1, 1990.
- ✓ The National Association of Fleet Administrators, "Annual Convention," Houston, Texas, April 23, 1990.
- ✓ The Jefferson Foundation, "The Natural Gas Debate Teleconference," televised live to audiences at 150 universities from studio in Oklahoma City, Oklahoma, April 19, 1990.
- ✓ New Jersey Clean Air Council, "Vehicle Emissions Public Hearing," New Brunswick, New Jersey, April 2, 1990.
- ✓ Consolidated Natural Gas Company, "Natural Gas Transportation Workshop," Baton Rouge, Louisiana, January 26, 1990.
- ✓ American Gas Association, "Annual Meeting," Dallas, Texas, October 31, 1989.
- ✓ Urban Consortium, "Energy Task Force Annual Meeting," Chicago, Illinois, September 28, 1989.
- ✓ New York City Board of Trade, "Alternative Fuels for the Future Symposium," New York City, New York, September 19, 1989.
- ✓ New York City Department of Environmental Protection, "Environmental Blueprint for Action Conference," New York City, September 9, 1989.
- ✓ Urban Consortium, "Alternative Vehicle Fuels Unit Workshop," Albuquerque, New Mexico, July 21, 1989.
- ✓ Energy and Environmental Study Institute, Congressional Luncheon and Briefing marking the public release of *Drive for Clean Air: Natural Gas and Methanol Vehicles*, Washington DC, June 29, 1989.

- ✓ Octane Week, "National Conference on Octane and Oxygenates," San Francisco, California, March 23, 1988.
- ✓ New Mexico Natural Gas Marketing Bureau, "Natural Gas Proration and Marketing Seminar," Roswell, New Mexico, January 12, 1989.
- ✓ Institute for Resource Management, "Alternative Fuels, Mobile Sources and Clean Air Meeting," Mohonk, New York, December 8, 1988.
